

Dear Valued Residents:

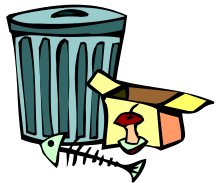

We would love to continue to provide you with an excellent quality of life. We are asking all residents to please keep in mind that it takes everyone to keep our community clean and beautiful. We have had a few issues arise continuously, and just wanted to address them:

**PETS:** We pride ourselves in being a pet friendly community with pet station areas and space for you to walk your animals. Please clean up behind your pets and utilize the pet stations. Per all lease agreements, ALL pets must be on a leash at all times! Unauthorized pets can also result in the termination of your lease.

**TRASH:** Trash is not to be left in the parking lot, on your lanai, or placed by your front door. Please place all trash and recyclables in the appropriate containers.

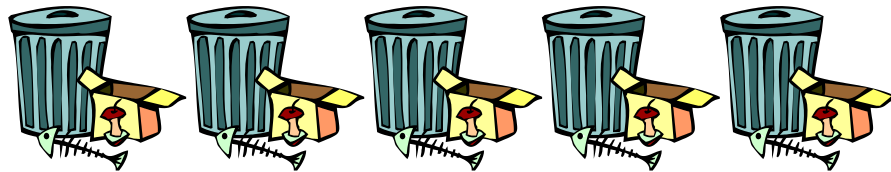

**MAINTENANCE:** Please do not stop the maintenance staff in the parking lot to request repair services. They are not allowed to enter any apartment without a written request issued by the office staff. Please call or stop by the office to report any maintenance repairs you may need.

**PATIOS:** We encourage you to use and decorate your patios with *patio* furniture, plants, and other decorative items. Patios are not, however to be used for storage or trash.

**GRILLS:** Per your lease agreement, Sabal Key residents are only permitted to use electric grills. You are not able to store or use a gas/charcoal grill.

**NOISE:** Please respect your neighbors! We would like to ask each and every resident to be considerate of those around you and keep all EXCESS noise to a minimum.

**Sabal Key Apartments**
